WORK EXPERIENCE

Accenture

Software Developer Analyst   Feb 2024 - Present

- Working in Qatar Project, developing high end-to-end features and reusable components mainly using **React, Next.js, JavaScript, API Integration, Graphql and Jest.**
- Led efforts to enhance app performance, resulting in **100% reduction** in page load times, greatly improving user satisfaction.
- Achieved **90%** above code coverage with comprehensive unit tests, leading to a **40%** decrease in critical defects.
- Actively participated in client presentations and architectural walk-throughs across cross-functional teams.

Avegen

Software Engineer   Aug 2023 - Feb 2024

- Optimized client-facing homepage by achieving **zero** latency in card load times, built reusable UI components for template apps to ensure consistency.
- Documented processes and updates of template apps in confluence to improve team collaboration.

Cognizant

Programmer Trainee Intern   May 2023 - Aug 2023

- Designed and implemented user dashboard, authentication pages, writing comprehensive unit tests.
- Trained and certified in **React Full stack development**.

SKILLS

- **Languages:** JavaScript, SQL, Python(basic), DSA, OOPS, DBMS, Networks
- **Dev & Frameworks:** HTML5, CSS3, React.js, Next.js, TypeScript, Redux, Tailwind CSS, ShadCN, Bootstrap, Git, Testing (Jest, RTL), API Integration, GraphQL, Jenkins, Express.js, Node.js, MongoDB.

PROJECT

Portfolio ↗

- Tech Stack: **Next.js, TypeScript, Tailwind.CSS, Resend, Vercel.**
- Personal portfolio website developed with T3 stack, featuring Resend SDK integration for email transactions.
- Hosted on Vercel with a streamlined build pipeline.

BookCart

- Built a fully authenticated Ecommerce site using **React, MongoDB, Express.js, Node.js** which allows users for buying books with conditional searching, integrated payment gateway with PayPal and card payment.

Sorting Visualizer

- Implemented an application using **React.js, Redux** for visualizing sorting and pathfinding algorithms.

EDUCATION

Matrusri Engineering College, Hyderabad

Bachelors of Engineering, Computer Science - 8.67   Jul 2019 - Aug 2023

CERTIFICATIONS

Application Engineering School-MERN, Cloud Foundation School-AWS Accenture

Problem Solving, DSA, SQL, Python certified HackerRank, GeeksForGeek
